Your Private Waterfront Wedding

Where History Meets Romance

This is an event space that truly captures the beauty of Killarney Channel. Named the 'Ice House' as it was originally used for the storage of winter ice. The ice was then used in Spring and Summer for the shipping of local Georgian Bay fish to markets all over North America. The Ice House has been retro-fitted into a "classic fairy tale" space with double doors opening up to Killarney Channel. Rental units of the two adjacent Lowe Waterfront Suites will be part of your Ice House package. This space can hold up to 80 guests. Please note that we're offering a different dinner package for this reception space.

Room Blocks

To make booking easy for your guests, we'll create a dedicated room block for 30% of your wedding guest list. Guests can reserve directly under your event name, ensuring they have access to the best availability. Weekend Stay Requirement:

For weekend weddings, guests staying in the hotel must book a minimum of two nights. You'll be responsible for reserving at least 30% of your guest attendance in room nights. Any unreserved rooms from that minimum allotment will remain your responsibility.

Booking Timeline:

Be sure to share your reservation name with guests so they can book before the 120 day release date, when any unclaimed rooms will be released back into general inventory.

Your Killarney Love Story Starts Here

The Ice House offers more than a wedding venue, it's a once-in-a-lifetime setting where your love story unfolds against the backdrop of Killarney's natural beauty and rich history.
